

be adopted into His family. With new eyes and a new heart your life will be transformed. Listen again to His words: *When Jesus spoke again to the people, he said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." (Jn 8:12)*

What should you do ?

God commands you to turn away from your sins and believe on the Lord Jesus Christ. He requires you to live in humble obedience to His commandments while developing a daily relationship with Him through Bible study and prayer. By pursuing such a life of faith you have nothing to lose but the chains of your sins. For all who confess Jesus as Lord, He promises eternal and abundant life - starting now! *'But now having been set free from sin, and having become slaves of God, you have your fruit to holiness, and the end, everlasting life. For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.'* (Rom 6:22-23)

What next ?

Attendance at a good church will provide you with the friendship and encouragement you need to live honourably for God. You will discover the truth about our world and your place in it.

Are you believing LIES??

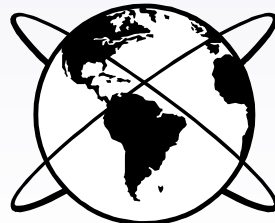

You are a CREATURE! You did not evolve from pond-scum, neither did the world condense out of hydrogen gas.

The new 'Thought Police' want you to believe that you are your own boss with every right to think and do as you please. But that is NONSENSE.

The 'politically correct' secularists who have taken charge of our country want you to believe....

- *There is NO GOD;*
- *Mankind is basically OK; our criminals just need expensive therapy;*
- *The government can fix all our problems;*
- *You're not religious*
- *They're not religious*

“Come and see”

Is there life **BEFORE** death?

Is atheism really credible??

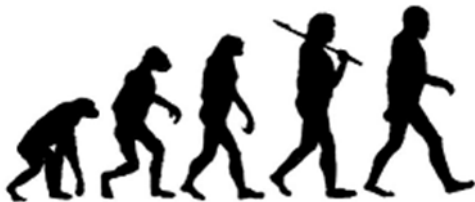

What does God HIMSELF say?

Truth for LIFE....

The Bible contains a crucial message. Why not read it for yourself? John's gospel is a good place to start. Request a free copy from me. Jesus said, *'If anyone wills to do God's will, he shall know concerning the doctrine whether it is from God or whether I speak on my own authority'* (John 7:17)

Who is God?

In the beginning God created the heavens and the earth' (Gen 1:1). God is the Creator - your Maker. 'The Big Bang' and 'Evolution' are popular myths dressed up as 'Science'. This world is *not* the product of 'blind pitiless indifference' (Richard Dawkins) any more than the Moon is made of green cheese. Think of a beautiful sunset or the birth of a new baby. Common sense tells us that complexity and beauty betray design. BUT design demands a *Designer*. The Bible says, *'For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse'*. (Romans 1:20)

What is God doing now?

God rules His creation. God orders all things – the weather, the seasons, the pulse of life in your veins, the migration of birds, even the flow of human history. We read in the Book of Proverbs, *'The king's heart is in the hand of the LORD; like the rivers of water He turns it wherever He wishes'*. Prophecy in the Bible demonstrates God's control over history. Christians routinely acknowledge His kindness as they pray, *'Our Father in heaven, hallowed be Your name. Your kingdom come, Your will be done on earth as it is in heaven. Give us this day our daily bread, etc'* (Matt 6:9-11)

What's wrong?

Centuries of history tell us that something is fundamentally wrong. Wars, famines, earthquakes, floods, etc, collectively witness that God's world is broken. The Bible tells us that it is both 'Fallen' (i.e. corrupted) AND therefore under God's 'Judgement'. Why do we suffer and die? Because our first parents (Adam & Eve) rebelled and determined to live independently from their Maker. We live in God's world, eat food and drink which He supplies whilst we shake, as it were, our fists in His face. Listen again to the Bible, *'... although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. Professing to be wise, they became fools, and ... exchanging the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen.'* (Rm 1:21-25)

How should we live?

In most schools today children are taught that right and wrong are nothing more than personal taste. But the Bible is clear: theft is wrong; lying and cheating are wrong; adultery is wrong; pornography and homosexuality are wrong. As your Maker and Judge, God sets the rules. The Ten Commandments – God's Law - are a summary of what we should and shouldn't do. They require you to honour your family and the civil authorities. They warn against the indulgence of wrong attitudes - pride, greed, lust and hatred. Your 'conscience' represents God's Law written on your heart. When you suppress its voice it convicts you. Listen again to St Paul in his letter to the Romans: *'for when Gentiles, who do not have the law, by nature do the things in the law, these, although not having the law, are a law to themselves, who show the work of the law written in their hearts, their conscience also bearing witness, and between themselves their thoughts accusing or else excusing them'* (Romans 2:13-15). The sad truth is we're all law-breakers before God.

Who was Jesus Christ ?

The Bible tells us that God is a trinity – three persons (Father, Son and Holy Spirit) mysteriously bound together in unity. As the Son of God, Jesus is the rightful King of the Universe and the Saviour of the world. If you call upon Him in faith you will receive the gift of His Holy Spirit and
