Dreadful is the Judgement drawing nigh
 Full of holy thunder is the sky;
 Now's the time for harvest, fruit is ripe -
 - Draw it down!
 He who is the Judge now overthrows
 Wickedness where e'er the Spirit blows;
 Wine within His winepress overflows
 'For His crown!

Chilling is the clamour of His voice
 Scattering the darkness with its noise
 Overturning all things, it is poised
 To redeem!
 Humbly made to bow down on her knee
 Egypt shall a desolation be;
 Edom too shall in captivity
 Then be seen!

Chorus... Behold the multitudes

Holy then shall be Jerusalem
 Safe beneath the shelter of the Son
 Strangers never more shall to her come
 Yet unknown;
 From the place where empty brooks had been
 Shall spring up a pleasant mountain stream;
 There the choicest vine-groves you have seen,
 Shall be sown!

2nd Chorus (last time)....

*Come, behold Jerusalem,
 Bride of God's beloved Son,
 Redeemed and from iniquity set free!
 Cleansed from her unholy pride
 She shall evermore abide
 Glorified in heaven's jubilee
 Do you see?*
