

Get Wisdom - Proverbs 4

Words: Steve Layfield Music: Bob Dylan

Voice

Do you real - ly know what you think you know Or are you just fol-low-ing

sheep? Have you for - sa-ken God's ho - ly law? Have you drift-ed in to sleep? Has your

heart re-tained your Fa-ther's word? Are you keep-ing His com - mands? Has hea-ven's wis - dom

graced your mind? Do you tru - ly un - der - stand? do! Turn my

foot-steps Lord a-side from all van-i-ty and pride keep temp - ta - tion from my eyes. May I

al - ways keep alert; straight a - head my stride, Ho-ly Spir - it make me wise!

If you get wisdom she will keep you safe
Every night and every day;
If you exalt her she will guide your feet
Pouring goodness on your way.
Grace and glory are within her hold
A crown of honour too;
If you embrace her with humility
God will bless all things you do!

The path ahead my feet must tread,
Though it seems I've just begun,
Unlike the darkness of wickedness,
Brighter shines, just like the sun.
Every word God speaks I will take to heart
And keep before my gaze;
Peace and life they'll secure for me
Through all my pilgrim days.
