mo - ment, ev - ry - where. Are you

Are you hearing warfare raging
All around you in the air?
We are fighting or we're whoring
Every moment, everywhere.

Are you testing all you're thinking
And all your knowing by God's word?
Undiscerning hosts are heeding
So called 'experts' they have heard.

Are you musing, while you're walking,
On the Scriptures in your mind?
Few are reading or interceding,
Not supposing they are blind.

Are you pleading and are you bleeding,
Daily wounded, yet pressing on?
Armageddon will be succeeded
By the kingdom of God's Son!
