These are the words of the first and the last
Spoken through mystic seer.
You who would know what must soon come to pass
Let now your ear this hear;

*Slander and scorn meekly you've born
Falsely you've been accused;
Heresy's weeds poison your creeds
Subtly your mind's confused.*

When in the days that the Lord has ordained
Trouble and suffering bite
Satan, recall, has surely been chained
Take up your shield and fight;

*Save not in strife even your life
Fickle will be Hell's frown;
You will indeed surely receive
From Christ your keeper a crown.*
